

## Memorandum

---

To: Provosts and Chief Academic Officers

From: Paula K. Compton Ph.D., Associate Vice Chancellor

Date: May 14, 2020

Subject: Alignment Survey: Revision of Practical Nursing to Registered Nurse CTAG

---

**Background Information:** Each Career-Technical Assurance Guide (CTAG) undergoes review approximately every five years. This coincides with the Ohio Department of Education's career-technical content standards review timeline. Postsecondary faculty, along with representation from the Ohio Board of Nursing, reviewed and updated the learning outcomes for the LPN to RN CTAG and changed the name to LPN to RN CTAG. The revised learning outcomes were endorsed statewide in April of this year.

**What We Need from You:** This memo addresses the need for statewide endorsement of the alignment of the Health Sciences Pathway Career Field Technical Content Standards to the postsecondary learning outcomes for the Practical Nursing to Registered Nurse CTAG. Please arrange to have an appropriate faculty at your institution complete the survey as soon as possible **but no later than Tuesday, May 26th**. We are collecting **only one representative** response per institution.

A copy of the proposed alignment is attached for reference and will be needed to complete this survey. Hope Moon, Lorain County Community College, serves as our lead faculty expert for the revision of this CTAG and worked with a faculty panel to complete this alignment. The online survey is available through the following link: <https://www.surveymonkey.com/r/CRXW5WZ>

The attached PDF of the survey is for reference only. Please use the included link to complete the survey. Thank you for your assistance with this important matter. If you have any questions regarding this survey, please contact Nikki Wearly, Senior Associate Director of SCTAI, at [nwearly@highered.ohio.gov](mailto:nwearly@highered.ohio.gov) or 6147282662.
